Weill Cornell Medical College

Visit **events.houstonmethodist.org/pituitary-tumors** to register.

EDUCATIONAL OBJECTIVES

Upon completion of this activity, participants should be able to:

- Discuss the important presentations of pituitary tumors and the accompanying clinical syndromes.
- Explain of effects of endocrine-active pituitary tumors and the appropriate endocrine workup to perform.
- Discuss minimally invasive surgical treatment for pituitary tumors, including risks and benefits.
- Describe novel technology for imaging and surgical treatment that has dramatically improved patient outcomes.

ACCREDITATION AND DESIGNATION STATEMENTS

Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Houston Methodist designates this live activity for a maximum 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
