FOCUS

More than 25,000 scholarly publications on the topics of lymphoid and myeloid neoplasms and related disorders have been published in the last three years. The number and breadth of the publications make it difficult for practicing physicians to maintain current knowledge of, and competence in, the application of recent developments in disease classification, molecular biology, diagnostic algorithms, testing modalities and therapeutic advances.

WHO SHOULD ATTEND

This educational program is intended for practicing pathologists with an interest or training in hematopathology, as well as oncologists, hematologists and advanced trainees.

OBJECTIVES

- Describe recent developments in the diagnosis, classification and molecular biology of lymphoid and myeloid neoplasms and related disorders.
- Recognize the impact of new developments on targeted and precision therapy.
- Implement current best practices for diagnosis, classification and detection of diagnostic, prognostic and therapeutic markers.

E-SYLLABUS

In order to ensure our registrants are receiving the most current slide sets presented, as well as keeping with City of Hope's "green initiative" to reduce waste, no printed syllabus containing slide sets will be available at this conference. An e-syllabus containing faculty presentations will be available electronically approximately one week prior to the start of and for one month following the end of the conference. E-syllabus access will be provided via email to all registrants. It is suggested, if possible, you attend this conference with your laptop fully charged. Internet access and additional power sources may NOT be provided. For questions, please contact us at **cme@coh.org** or **(626) 218-5622.**

Accreditation Statement: City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. City of Hope designates this live activity for a maximum of 15.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. **This activity is a SAM eligible CME course.** For more information, visit **CityofHope.org/cme** or contact the CME Department at (626) 218-5622.

Cancellation Policy: Early bird registrations are nonrefundable. Refund requests must be submitted in writing and postmarked no later than Monday, October 8, 2018. A $50 processing fee will be applied for all refunds. Requests postmarked after October 8, 2018, will not be honored. All refunds will be processed 30 days after the meeting concludes. In the event of unforeseeable circumstances that lead to the cancellation by the conference organizers, all registration fees will be fully refunded.

Acknowledgment of Commercial Support: All grant and exhibit supporters will be acknowledged at the conference via signage and will be listed in the conference materials.

Special Assistance: In compliance with the Americans with Disabilities Act, all reasonable efforts will be made to accommodate persons with disabilities at the meeting. If you have any special dietary needs or accommodations that must be made, please notify the CME department at **(626) 218-5622** prior to the conference. It is important to notify us in advance of your special needs to help us better serve you.

Special Invitation: Registered attendees and one guest (21 years or older) are invited to attend the Meet the Faculty Reception on Friday, November 9, 2018, at 4 p.m.
